

What To Do In Case Of An ACCIDENT

The 5 P's of Protection

1. POLICE

Call the Police Department for an independent investigation of the collision.
Report all suspected injuries.

2. PERSONS

Get the name of all witnesses at the scene. Get their names and numbers.
Do not assume the police will.

3. PHOTOGRAPH

The vehicle damage, the accident scene and all signs of injury.

4. PHYSICIAN

If you have any injury or symptoms of injury, report them to the police and go to the Emergency Room.
See your Doctor for examination ASAP.

5. PHONE 480-905-9114

The Vakula Law Firm

Before calling ANY insurance company.
Our initial conference is free of charge.
Know what your rights are before speaking with the insurance company.
They are only looking out for themselves.
Make sure someone is looking out for YOU!
